Dear RHAC Members,

It's my pleasure to invite you to the 2nd Annual Homeless Initiative Conference on February 8, 2018 at the Cathedral of Our Lady of the Angels. This year's Conference is titled "Partnership and Innovation to Prevent and Combat Homelessness," and will bring together 500 key stakeholders, including elected

officials, County Departments, cities, homeless service providers, business sector, faith-based organizations, academics, foundations, and formerly homeless residents. We will reflect on our achievements, identify lessons learned, and explore challenges and opportunities for year three of the Homeless Initiative. We will focus heavily on the implementation of Measure H.

We hope that you will attend the Conference and lend your expertise to the various discussions throughout the day. Please RSVP through the link included in the attached invitation.

Thank you and we look forward to seeing you at the Conference.
